

GET ANIMATED 27 – The First of Four Afternoon Teas

A new improved offering of business events for the UK Animation Industry.

London, 11th October 26 – Get Animated Conference is changing their programming for 27, with a set of four business afternoon teas planned at the British Library, starting with the first event on the 19th January 27.

“Our afternoon teas are a great way of keeping dialogue going with your partners, meeting new clients, and discussing what is affecting our industry with peers. We looked again at holding our annual two-day event in Birmingham in 2027, and the feedback was clearly in favour of holding afternoon events, across the four business quarters in 2027, January (19th Jan), May (TBC), September (TBC) and November (TBC).

More cost-effective for everyone,... more content, more cake and tea throughout 2027.

We can also focus on wider topics with four events throughout the year instead of one, and be more adaptive with our sessions.

I am delighted the first tea will focus on cinemas and the creator economy, with a huge thanks to **Vue** and the **Independent Cinema Office**, the crowd-funders **GoFundMe**, **IndieGoGo**, **GameFound**, and the entrepreneurial support team from EagleLabs by **Barclays** committing to the first event.

Also in the back-end our awesome new website membership system for animators is now in place and growing internationally, here's to more in 27" - Ryan Beaird - Event Director.

25 x Early Bird Batch One tickets are now on sale, priced at £50 each - Visit GetAnimated.uk/tea for the line-up and tickets.
